Welcome to BID Group

BID Group Ltd was established in 1985 as Bolton Industrial Doors with a core business of maintenance and repair of all types of industrial doors.

BID Group's head office and UK manufacturing sites are based in Westhoughton, Bolton, with depots strategically located across the UK providing national coverage for the installation, service, maintenance and repair solutions for a wide range of Industrial Doors, Dock Levellers, Rapid Roll Doors, Gates, Barriers, Personnel and Automatic Doors.

BID Group directly employ a nationwide network of over 50 mobile teams and boast a fleet of fully equipped workshop vehicles to service, maintain and repair not only our own doors and associated products but also those of other manufacturers.

Each product division uses only fully trained engineers who are qualified in their specific area of work. This ensures the right engineer for the job and best value service.

BID Group's emergency call out service operates 24/7 365 days a year ensuring any urgent repairs can be attended to in the quickest time.

Our Services

- **Service and Repair**
Emergency call out 24/7 365 days a year.
- **Maintenance Contracts**
Keeping your products and equipment operational and health and safety compliant.
- **Regional Service Centres**
Qualified engineers, locally stocked parts and mobile vehicle workshops.
- **Experienced Sales Representatives**
Providing free site surveys, technical advice, quotes and after sales support.

BID Group have been at the top of the industrial door industry for over 30 years and continue to strive to deliver the same uncompromising quality that has helped to build our brand and reputation.

We are the first choice of many leading UK companies to design, manufacture and install industrial door systems to their manufacturing and distribution facilities. Supported by a 24/7 service and repair call out to ensure operations are never interrupted by costly breakdowns.

Our company continues to expand and today BID Group consists of a number of specialist product divisions

BID Industrial Doors – The product range includes; roller shutter doors, fire roller shutter doors, sectional overhead doors, bi-folding doors, steel personnel doors and automatic doors.

Klimate High Speed Doors, one of the UK's leading high speed doors. Fast acting and energy efficient.

Klimate K2 High Speed Freezer Door, a heavy duty, robust door designed and manufactured in the UK to meet the rigorous demands of working in a freezer environment.

Manufacture and supply of hinged and telescopic lip dock levellers and associated loading bay equipment.

PSM Gates & Barriers – Installation, repair and service of vehicle traffic barriers, auto swing and sliding gates, turnstiles, bollards and access control systems.
